

By Sarah Green, IWA Class of 2012

Campus ministry at Incarnate Word Academy exemplifies perfectly the words of Psalm 133:1: “How good and pleasant it is when God’s people live together in unity!” It is the heartbeat of the school, pumping vigor and a much needed unity among students.

The year began on a wild note at the high school. Coinciding with the start of the Missions Program was a “Marathon Retreat Week.” Each class’s retreat focused on the topic of fostering unity and relationships among each other. The underlying theme is this oneness that is unique to Incarnate Word—we are one with each other, regardless of our background, and we are one in our common goal of becoming the young men and women of God we were created to be.

Through my experiences at Missions, I’ve become familiar with students with whom I wouldn’t have otherwise spent time, and I have bonded with them—granting me a deep appreciation for the characters and the faces of our school.

This heartbeat of our school is ever-changing. Part of living “together in unity” is being aware of these shifts and working to accommodate them. For example, when a group of students heard and felt a desire to have more youth-oriented worship, we organized a totally student-led Praise and Worship session after school one Thursday—the first of many, we hope.

Campus ministry gives credence to the great name of our school. We bear the title of the name of our Lord, Jesus, and because of it, we are challenged and often convicted of ourselves. That is one innate part of community, though, as is our relentless desire for purpose and unity in His name.

Incarnate Word Academy — Campus Newsletter — Corpus Christi, TX

Angel News is a bi-monthly newsletter for parents, students, and friends of Incarnate Word Academy. Its purpose is to provide a means of communicating spiritual and liturgical messages, parenting education, campus-wide information, teacher/staff accomplishments, special events and future plans. Some articles have been contributed by faculty, administrators, students, parents, and other friends of Incarnate Word Academy.

808 Reasons to Give

By: Connie F. Cadena, Executive Director of Advancement

A legacy is something handed down from one generation to the next. It can be tangible – like a family heirloom, or an ideal – such as freedom or democracy. To those who are part of the Incarnate Word Academy school community – current students, alumni, parents, faculty and staff, grandparents and friends – the school provides a legacy of values: values that facilitate a Christian wholeness in each person, create a Catholic faith community and provide a quality education for all students.

Incarnate Word Academy is also blessed with a different kind of legacy – families – many families who believe in the IWA experience so strongly that they give generously of their time, talents, and treasure. Our Annual Giving Campaign has served as a testimony to the strength of our families. This year's Annual Fund Appeal is yet another opportunity for you to make an immediate difference in the lives of our students and the quality of our programs.

Someone came before you. For every generation of IWA Angels, one came before to financially and prayerfully lay the groundwork for the experiences and opportunities we are able to provide our current

students. We need your support to maintain the excellence for which we are known and our students deserve.

We are striving for 100% parent participation, no matter the size of your gift. That is because 100% of our students benefit from a successful Annual Fund. This year, we have **808 students** enrolled in our elementary level, middle level and high school. So we can give you **808 reasons to give**. Will you please help us reach our goal?

In addition, overall participation is the measure by which foundations and corporations rate our parent and alumni involvement. This is a major consideration in their decision process.

Become a part of the IWA legacy. We have a tradition of excellence, and this strong reputation helps increase the value of an Incarnate Word Academy diploma – benefitting IWA Angels of all eras. Please join us today.

THINK PINK Volleyball Game

On October 7 the Lady Angel volleyball team hosted a THINK PINK game to show support for breast cancer awareness. A donation box was placed at the door and all proceeds from the gate admission were donated to fight for the cure.

The game vs. Annapolis Christian Academy was played with a pink and white volleyball and everyone from the fans, opposing team, and referees were encouraged to participate and wear as much pink as possible. Our Angels were decked in pink shorts, pink hair ribbons, and pink and white ribbon socks. The Angels won the game with scores of 25-9, 25-12, and 25-19 to cap off the evening.

Thank you to all that came out to attend the game and show support not only to your Lady Angels but also in the support of breast cancer awareness.
