Middle Level Uniform Dress Code 2019-2020

When parents and students accept the invitation to enroll at IWA Middle Level, the agreement is that students will wear the appropriate uniform every day and during all school functions where the uniform is required. It is the responsibility of all students to dress properly each day for school. Moreover, it is the responsibility of the faculty and administration to enforce the dress code at all times. Students should observe high standards of both neatness and cleanliness. Any distraction caused by a student's dress or grooming will be dealt with as a disciplinary matter.

Standards of dress and appearance for all Middle Level students include:

1. Uniforms should be clean, free of stains and wrinkles and shoes should be in good repair.
2. Shoes are part of the school uniform and should be worn as intended. Any student requesting an exemption regarding shoes due to medical necessity must present medical documentation and meet with the respective administrator to determine specific dates for the exemption.
3. All clothing should be labeled with the student's name.
4. Clothing or accessories that are out of uniform may be confiscated and kept in the Middle Level Office.
5. Hair must be appropriately groomed and of a presentable color and natural shade.
6. Mass uniform is to be worn only on Wednesdays and special occasions.
7. Spirt uniform is to be worn only on Fridays and special occasions.
8. **Note: All students are required to purchase at least one red polo shirt**

**If in doubt regarding a uniform item, before it's worn, bring it to administration for approval.
